Mohamed Lamine Debaghine Sétif-2- University is delighted to organize a national conference on:
Academic Integrity and Plagiarism

National Conference on *Academic Integrity and the Fight against Plagiarism*

December 09-10th, 2015

Nowadays the rise of plagiarism in the field of academic and scientific research is no longer in doubt. As a matter of fact, many universities around the world are looking for effective policies, tools and methods to prevent that issue. All community members of any university share the responsibility for the institution's academic standards and reputation. In order for the community members to work together honestly, in an atmosphere of shared responsibility, mutual respect, trust and fairness, a strong emphasis on the development of academic integrity is vital. Academic Integrity is at the foundation of good education. Moreover, Academic Integrity of teachers and students is a quality assurance mechanism that contributes to the maintenance of the university's qualifications standards.

The conference on Academic Integrity and the Fight against Plagiarism aims to be a forum for sharing best practices and experience while addressing academic integrity issues, namely plagiarism. The forum aims to provide a platform for teachers and researchers of all Algerian Universities to share research that describes and addresses issues on academic integrity topics. Quality Assurance Cell of MLD University works in collaboration with the Vice-chancellery in charge of Postgraduate Studies, Scientific Research and Accreditation; and all faculties to combat academic dishonesty, and embrace the principles of academic integrity. All university staff know that the goals of teaching, learning, and research can only be accomplished in an atmosphere of ethical standards.

Suggested topics for the conference include the following:

- ✓ Academic Integrity and Research Ethics
- ✓ Impact of Pedagogical Practice on Academic Integrity
- ✓ Impact of the Internet and Modern Educational Technologies on Academic Integrity
